Central Hub of World Heritage Sites, Daegu

UNESCO designated World Heritage Sites are located near Daegu.

Gyeongju Seokkuram and Bulguksa, Gyeongju Historical Areas, and the historic villages of Hahoe and Andong

Surrounded by these intriguing destinations, Daegu is home to four out of the them UNESCO World Heritages Sites in Korea.

Daegu is where you can immerse yourself into the roots of Korean culture, while still being connected with its global culture. Beautifully preserved and sacred land of Buddhism and Confucianism! A world of experience, opportunities, and attractions for both domestic and foreign participants!

The "Center of the World Cultural Heritage, Daegu" is a world-class exhibition and convention city.
