## *The Historical Meeting in Korea*

President Moon Jae-in and North Korea's Chairman of the State Affairs Committee Kim Jong Un had a summit meeting at the Peace House in Panmunjeom on April 27. The two leaders expressed their hope to improve inter-Korean ties and their will for unification. We believe that this Inter-Korea Summit brings a new path to a future where all Korean and all people from worldwide can live at peace.

**Would you like to come to Korea, now a symbol of peace in history?**
